

## BIOGRAPHY

**Ms. Dorothy Tiffany, CPA, PMP**  
***Program Business Manager***  
**NASA GSFC**

**Biography:**

Ms. Tiffany is a Program Business Manager at NASA's Goddard Space Flight Center and has managed the business operations of numerous satellite development projects, including Calipso, LISA, ST-5, POES, TRMM, TDRS and Landsat. She also managed GSFC's Financial Management Division and Accounting Branch. She is a frequent speaker and NASA trainer in the fields of project management, earned value management and effective communications.

Ms. Tiffany was awarded two NASA Exceptional Achievement Medals and the NASA Exceptional Service Medal for her work in finance and project management and has been recognized for her efforts in mentoring. Ms. Tiffany is a member of the Program Management Institute (PMI), the College of Performance Management (CPM), the Maryland Association of Certified Public Accountants (MACPA) and the American Institute of Certified Public Accountants (AICPA).

**Mr. Walter Majerowicz, PMP**  
***Senior Manager – NASA Programs***  
**Computer Sciences Corporation**

**Biography:**

Mr. Majerowicz is a Senior Manager for NASA Programs with the Computer Sciences Corporation (CSC) responsible for the Planning & Scheduling discipline on the Program Analysis and Control (PAAC) contract at the Goddard Spaceflight Center.

Previously, he was the Planning & Schedule Manager on the Tropical Rainfall Measuring Mission and the Polar Operational Environmental Satellites Program. Prior to joining CSC, Mr. Majerowicz held numerous positions in program planning and control at The Boeing Company and the Martin Marietta Corporation.

Mr. Majerowicz is co-chair of the annual NASA Project Management Challenge conference. He also conducts training in project scheduling and earned value management within NASA, and is a frequent speaker at project management conferences. Mr. Majerowicz holds an M.B.A. from the University of Baltimore and is a certified Project Management Professional (PMP) with the Project Management Institute (PMI). He is also a member of PMI's College of Scheduling (COS) and College of Performance Management (CPM) where he is a member of the training faculty.
